

THE MEASURE

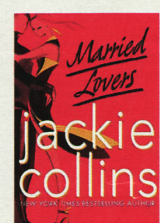

Going up

Rollasole Genius: ballet pumps that roll up in your handbag so you can wear them at the end of the night in the taxi queue. God bless modern ingenuity

Rachel from

The X Factor's make-over

Who knew that removing a piercing and a fringe could make such a difference?

Jackie Collins

New book out! No explanation needed!

Gerard Butler Apparently Anna Wintour fancies him. Hey, it didn't do Roger Federer any harm

Ankle boots Shoes of the season. But...

Going down

Peep-toe ankle boots

Now what are we supposed to do with them? Frostbite ain't chic

Patent leather designer bags

No matter how much they cost, they always look cheap

Chanel's gun heels

We love

you, Karl, but wrong, wrong, wrong

Sexy Halloween costumes

This is no time to try to revive fishnet tights

Celebrity TV travelogues

'Here's a celeb taking us on a tour of a country about which he knows nothing at all'
