

ANGEL JACKSON GOES LIVE

We can now snap up our (and Cheryl's) favourite accessory label at the website Angeljackson.com

ROLLA SOLES

The only post-party ballet pump we will be endorsing this year. They roll up in your handbag and cost just £5. Such simple genius. Go to Rollasole.com

SLANKET.COM

Oh my God! Enormous blankets with sleeves? That's us holed up for winter...

ILADUSK ALARMS

These pretty charms are actually personal safety alarms that will shriek loudly on demand

BAROMETER

POSH'S BOOBS

Is it just us, or do they look more and more like St Tropez-ed grapefruits each day?

PADDED JACKETS

There seem to be hundreds of walking duvets out there, threatening to suffocate us on the Tube. Help!
